IV BLENDS

Replenish blend **\$120**

- No medications and no supplements, just the perfect alkalized balance of fluids and electrolytes

The old fashioned blend **\$130**

- The Myers' Classic was developed by Dr. John Myers, a physician in Baltimore who worked with a large panel of chronically ill patients. This group of patients had great success with weekly or twice weekly infusions of this vitamin mix.
- This blend optimizes your well-being and increases your energy.
- Indicated for performance enhancement, jet lag, sinus infections and many more.

Pain and migraine blend **\$200**

Magnesium, Calcium Chloride, B12, B Complex, Vitamin C

- It includes non-narcotic pain medications as well as an anti-nausea add on as needed.

Immune boost blend **\$175**

Magnesium, Calcium Chloride, B12, B complex, Vitamin C and Zinc

- Boosts immunity in preparation for travel and events, relieves aches and pains, and helps with recovery and prevention of illness

Hangover tonic blend **\$170**

Magnesium, Calcium Chloride, B12, B complex, Vitamin C, famotidine, zofran, dexamethasone, ketoralac

- Great for pre-treatment of bachelorette or bachelor parties. Reduce symptoms related to dehydration, improve cognition, reduce inflammation, and treat your headache and nausea. Add glutathione for liver detoxification.

Radiant beauty blend **\$170**

Magnesium, Calcium Chloride, B12, B complex, Vitamin C, Biotin, Glutathione

- Improve the quality of skin, hair and nails, and hydrate to bring out your radiant beauty.
Please note: biotin can skew thyroid results. Wait one week for thyroid labs after this infusion.
